Children were an afterthought at this central park. No playground and overzealous guards blowing whistles to keep you off the perfectly manicured lawn.

Great park art and particularly languid cows 😎

Definitely a must visit place if you go to Ankara. The approach to the museum is nice; a long slightly uphill road with trees and greenery.

Onur Aydin - DD/MM/YYYY 4.5/5

I hope you rest in peace and I thank you with all my heart for all you've done for Turkey.

I've definitely seen one of the most beautiful cities on Earth. With LodeStar, it was just like a walk in the park. That easy.
